

## Dr. Samir Rizk

Founder, RC MedReview

- Associate Professor of Medicine at VCOM VAMC Salem, Virginia
- Dr. Samir Rizk was voted "**Teacher Of The Year**" for three consecutive years by the UVA Roanoke-Salem Internal Medicine Residency Program, and has been elected by the faculty of the University of Virginia, School of Medicine as a member of the Academy of Distinguished Educators

## RC MedReview for ABIM Certification

Dr. Rizk designed the course in a highly interactive format and uses case – based questions to help physicians prepare for the American Board of Internal Medicine certification and re-certification examination

### The Updated New Edition of the RC MedReview Internal Medicine board review book

Included with the course is the high yield book that follows the material discussed in the sessions.

#### This Course Is Designed For

General Internists  
 Medical Subspecialists  
 Medical Residents and Fellows  
 Nurse Practitioners & Physician Assistants

*"Dr. Rizk's Board review course is both case based as well as stimulating in thought. He has extracted significant clinical pearls of Internal Medicine in a way that can be easily understood and recalled."*

**W. Hall Cragun, MD**  
 Associate Chair Of Medicine, Carilion Clinic

#### DATE

**February 17 – 21, 2017**

#### LOCATION

**VCOM - The Edward Via  
 College of Osteopathic Medicine**  
 2256 Kraft Drive  
 Blacksburg, VA 24060

#### OBJECTIVES

Recognize the appropriate management of Internal Medicine diseases likely to appear on the ABIM examination

Review the X rays, EKGs, cutaneous lesions and peripheral smears that seem to show up frequently on the Boards

#### TESTIMONIALS

*"I would like to thank you for the opportunity to participate in your fabulous review. It was well timed and very appropriate for me. The resulting 35 point raise in my scores was overwhelming. I only needed a few points to pass, so this was fantastic. I was impressed with the quality of the review and the ease with which I was able to recall the information."*

Keith A. Gembusia, MD  
 Pennsylvania

*"Glad I signed up. Very impressive and helpful course"*

Laurie Yablon, DO  
 Michigan

*"The book is a wealth of highly readable well-organized pertinent information. I enjoyed reading it, and it was all I needed to pass the exam"*

J. Heald, MD
